Head of
Post-Production
Job description

September 2021

Becoming✕

Why BecomingX?

BecomingX was founded with one simple purpose - to create a world where everyone can realise their potential. We set out to work with the most inspiring and iconic people on the planet to understand what it really takes to succeed - and to share their experience with people around the world to help raise aspirations and provide the skills and confidence to realise their potential, no matter what their backgrounds.

We want to become the world's leading education company. Not the biggest, but the best. The one that has the greatest impact on improving people's lives. This is the journey we are on and we strive to be the best at everything we do, working in a 'no compromise' way to deliver the very best quality products and outcomes for schools, universities, companies and individuals.

BecomingX is a 'B Corporation' certified to meet the highest social and environmental standards. Social impact is in our DNA and it is why we exist. We are committed to ensuring equality, inclusion and diversity in everything we do.

Head of Post-Production

The Head of Post-Production's primary role will be to edit BecomingX's filmed interviews with the world's most inspiring and iconic people. They will be responsible for independently turning raw footage into powerful and succinct world-class video content. They will additionally have a role in supporting with the creative process, working with our production company partners and developing additional film content. The position reports to the CEO.

Role responsibilities:

1. Editing BecomingX filmed content

- Editing films that tell the story of the world's most inspirational and iconic people. This includes:
    - Full responsibility for post-production (editing, music, effects and managing grading to create a final product)
    - Additional responsibility for supporting shoots and creative thinking, working closely with our external production company
    - Creating short clips and intros to support with our Education work
    - Supporting with any filmed client projects

2. Additional Responsibilities

- Creation of video content for social media and/or marketing purposes
- Developing new ideas and concepts for BecomingX and our work in Education
- Supporting BecomingX Foundation in its mission to help people in lower-income countries and underserved communities

Skills, experience and attributes required:

- First-class expertise in Premiere Pro, After Effects, Illustrator, Photoshop and other Adobe Creative Cloud apps
- Significant experience of working within a production company or agency is preferred
- Superb storytelling skills, and a demonstrated ability to produce high-quality film content with original creative
- Ability to calmly manage multiple priorities and projects to tight deadlines
- Ability to work with top talent and their teams in the editing process
- Ability to inspire junior members of the team
- Belief in transparency and high-integrity leadership
- An uncompromising focus on quality and an incredible attention to detail
- The ability to work independently, remotely and in some cases with minimal interaction day to day
- The confidence to work with high-profile people in a professional, friendly and discrete way
- The resilience and fortitude to do what is necessary to succeed
- A willingness to get stuck in and do the tiny jobs

Please note applications without showreels will not be considered.
